## 托福口语 Question 1 & 2 【地点题】回答范例

### 范例 1

I have been longing for Hawaii ever since I first saw its beautiful view on TV.

For one thing, Hawaii is an island of great charm and when thinking about it, a series of gorgeous scenes will come to my mind. Thousands of people are lying on the golden beach enjoy the beautiful sunshine; children are happily playing with sand and seawater which reminds me of my childhood.

Moreover, I heard that people in Hawaii are very kind and hospitable; they will give their visitors garland to indicate their warm welcome. I wish I could go to Hawaii for a visit one day.

### 范例 2

If I have a chance to go to a new restaurant, there's nothing I like better than to spend some time in a restaurant with good atmosphere and soft music.

For one thing, I enjoy the delicious coffee and cookies provided, such as easy eggs, grilled trout and baked founder.

More importantly, the interesting magazines available and small chess games soothe me as well. Sometimes I'll invite my most intimate friends to go there together, and we will sit comfortably and have some nice and cozy chitchat about the latest news.
