托福口语 Question 1 & 2 【物品题】回答范例

范例 1

As a big fan of fantasy stories, I especially have fun with J.K Rowling's Harry Potter series for they're challenging, relaxing, and more importantly, the tale is terrific.

For one thing, I've got the feeling that the plots are carefully made up. In addition, I believe the author just has got the power to make complicated stories so straightforward.

Even though some of the conversations were too long to make the whole story go smoothly, I'll still have to admit that such novel really worth a "two-thumbs up".

范例 2

I would like to learn how to play guitar most for there are millions of merits of learning a musical instrument.

For one thing, it would be a most talented skill to achieve. For example, could take my guitar to all kinds of parties to demonstrate my gift of music and I bet it would be exciting.

To be more specific, I could join a band and play songs with other musicians. And may be, we could make some pocket money in that way making a lot of friends who have the same sense of music with me.

Ping pong is a very popular sport in China.

To play it, all you need are just a ping pong table, a pair of rackets and a ping pong ball. However, it's full of skills and wisdom. Facing such a fast-moving ball and sometimes even with rotation, the players must be able to judge and respond very quickly. Most people here play ping pong during

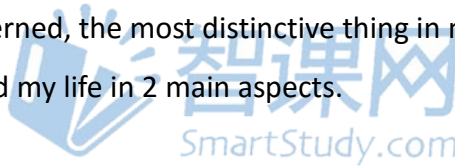

their spare time and they view it as a good way of relaxing and exercising.

Also there are many professional ping pong players in China. They have won a lot of honor for our country, and they have developed a kind of ping pong spirit, that is never giving up and keeping innovating.

As far as I'm concerned, the most distinctive thing in my daily life is my cell phone, because it has amazingly changed my life in 2 main aspects.

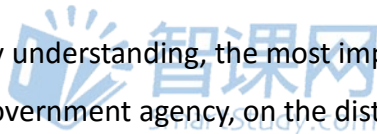

To begin with, it helps me communicate with the world around me. By using my cell phone, I could easily keep in touch with my friends, family members, classmates, you know, everyone! And even in dangerous situation, it could save my life. I'll just have to make a call telling others that I'm in danger.

More importantly if I have to say, it's also a great entertainment. When I get bored, it's a music box, cuz my favorite mp3 music and mpeg4 movie clips with in my cell will easily cheer me up.

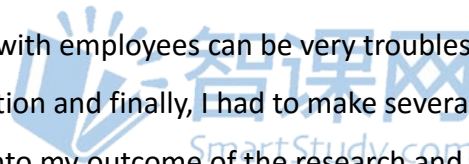

范例 5

According to my understanding, the most impressive opportunity that was given to me was to draw a report for a government agency, on the distribution of health food in Beijing 2 years ago.

For one thing, it was the most special chance for me in my life for the reason that I learned a lot of practical skills during the process. For first hand data, I had to visit hundreds of drugstores in the city.

In addition, I finally understood that dealing with employees can be very troublesome. For instance, many of them got suspicious about my intention and finally, I had to make several trips to the same store to meet their supervisor to talk them into my outcome of the research and then everyone else.

范例 6

Well, what I like is a modern department with large rooms since it makes me what I am now.

First, I could always feels relaxed and soothed inside, since it has high ceilings and a few pieces of chic furniture so it would feel more spacious then ever.

Besides, I'm also crazy about the big picture windows that I could throw open in summer, so that the whole place would be light and airy. And so my room like that will really lift my spirits whenever I feel down or upset.

范例 7

According to my understanding, my life goal is to become a respectful teacher.

For one thing, my mother used to be a math teacher and I remember watching her correcting students' home work till 2 o'clock every night, thinking being a teacher is the noblest job in the world. After I went to college, I selected several courses about teaching methodology and attended a series of seminar discussing teacher's quality.

Besides, I got the feeling that I am or lat least will be qualified to be a good teacher, for the reason that I took a part-time job of teaching English in a high school for nearly 2 years to polish my teaching and communicating skills.
